

Personal Details

Name: Vladimir	
Surname: Golik	
Contact details Address: 362021, Republic of North Ossetia-Alania, Vladikavkaz, Nikolaev st., 44	
Tel.: 8 952 839 45 99	
E-mail: v.i.golik@mail.ru	
Current position Professor of Mining Department	
Professional background	
D.Sc., Professor, Honoured scientist of Russian Federation, honoured scientist of Republic of North Ossetia-Alania, honorary member of the Union of miners and metallurgists of Saxony, honoured Professor of South-Russian State Polytechnic University, southern Institute of management, Ekibastuz engineering and technical Institute, North-Caucasian state technological University. Full member of Russian Academy of Mining Sciences, Russian Academy of Natural Sciences, International Academy of ecology and life safety	
Research interests	
Development of mineral deposits, methods of metal extraction by leaching, mining waste disposal and processing of minerals with activation of components, training of highly qualified personnel	
Scientific activities	
State contract No. 02.740.11.0323 "Research and development of innovative technologies combined mechanochemical activation of metal extraction from sub-standard materials." State contract No. 14.740.11.0427 "Risk reduction and mitigation of technological disasters through the establishment of environmentally safe technologies for the development of technogenic deposits extraction of these useful components with methods of mechanochemical activation". State contract No. 16.515.11.5039 "Development of non-waste eco safe methods of extraction and processing of ore deposits of the North Caucasus on the basis of combining traditional and innovative technologies." State contract No. 14.515.11.0077 "Research and development of highly innovative recycling technology of mining and processing ore KMA to produce metals, binders and inert components for the preparation of solid mixtures"	
Main publications	
More than 1000 works, including Russian science citation index 600 (57 of textbooks, tutorials and monographs, 37 inventions). Coeff. Hirsch 21, Hirsch-3.	
Awards	
Medal named after V. A. Legasov (19.07.1999). Order of "Star scientist" International Academy of Ecology Man and Nature Protection Sciences (30.05.2002). Medal 100 years of Russian trade unions (05.05.2005). Sign "Miner's glory" three degrees, Honored scientist of ecology (30.05.2001). Veteran labor (20.01.1992). A veteran of the nuclear industry (17.05.2006).
